ORDER

LEWIS A. KAPLAN, *District Judge*.

In a report and recommendation dated June 4, 2018 (the “R&R”), Magistrate Judge Katharine H. Parker recommends the denial of plaintiff’s motion to remand this action to the state court. No objections have been filed.

The motion to remand [DI 10] is denied. While I agree with much of the magistrate judge’s reasoning and with the result, this order should not be read as adopting each and every part of the rationale set forth in the R&R.

SO ORDERED.
